

INTRODUCTION

PS Solution, s.r.o. is young and dynamic company, offering services to our clients in Slovakia. In cooperation with Fair Support Connecting Business LTD we are proposing our services to foreign clientele. We are also speaking English.

OUR OFFER

COMPREHENSIVE SERVICES

We provide for our clients consistent maintenance of real estate properties, gardens and company fleet (personal cars). Maintenance covers services such as cleaning services, laundry care, garden keeping with the service of landscape architects, regular controls of household facilities, repairs and consultancy (boiler, heating systems, chimney, electrical engineering, etc.)

For personal cars or company fleets we provide regular service controls and repairs, seasonal tyre changes, damage repairs, etc.

These services are also provided to business clientele.

INTERIOR AND EXTERIOR DESIGN SERVICES

In cooperation with well-known interior designers and architects we are offering bespoke services at designing your apartments, offices, hotels, restaurants or other premises. PS Solution also provide bespoke production of furniture, architectural (constructional) modifications of interior and exterior, as well as moving services.

Investment activities and Private equity

We are searching and preparing investment opportunities for business and private clientship, not only in real estate business but also at the startup companies, or companies at the state of growth with need of foreign capital.

BUSINESS AND LEGAL CONSULTANCY AND ADVISORY

PS Solution represents integrated point of contact for legal consultancy and advisory and accountancy services - with offer of full service at the company registration within Slovakia, whether

concerning the new companies to be registered or existing companies with a need of change in legal registrations or establishing a branch office at Slovakia. In connection we provide registration and business address in Bratislava – capital city of Slovak republic.

CONCLUSION

Our utmost objective is to provide clients with superior comprehensive services for their comfortable living and business.
